At the Annual General Meeting (AGM) on 17 May 2022, it was decided that the Nomination Committee for the AGM 2023 shall consist of not less than four and not more than five members, of which one shall be the Chair of the Board of Directors.

Kambi's Nomination Committee consists of the following four members, of which one is the Chair of the Board of Directors:

- Anders Ström¹ – Nomination Committee Chair (Verolda Investment Ltd)
- Lars Stugemo (Chair of the Kambi Board)
- Mathias Svensson (Keel Capital)

Fifty percent of the members of the Nomination Committee are independent, representing 9.7% of total votes.

The work of the Nomination Committee

The sole task of the Nomination Committee is to submit proposals to the AGM on electoral and remuneration issues and, where applicable, procedural issues for the appointment of the following year's Nomination Committee. The responsibilities for the Nomination Committee are to review the structure, size and composition of the Board.

The size and composition of the Board of Directors, and the background and diversity of skill, gender and ethnic representation, were discussed. The Nomination Committee is of the view that the Board should represent a breadth and versatility of skills, including experience from the entertainment, sports betting, technology and B2B industries, the financial markets, international experience and hold a balanced gender representation.

The Nomination Committee held 3 minuted meetings for the 2023 AGM. The Nomination Committee has reviewed current Directors of the Board. To this end, the Nomination Committee interviewed and evaluated each Member of the Board of Directors regarding their availability for, and commitment to, the Board assignment.

¹ The Nomination Committee is not in full conformity with the Swedish Corporate Governance Code as the Board member Anders Ström acts as the Chair of the Nomination Committee.

The components of the Board match the Company's operational situation, its growth and competitive environment. Out of the five members, two are women and represent 40% of the Board of Directors. It is the opinion of the Nomination Committee that the Board has worked cohesively and well together during the year and have been sufficiently involved with Kambi's activities and key decisions made by the Company throughout the year.

The Nomination Committee states that the majority (60%) of the Board are independent of the Company, Executive Management and the largest shareholders, in line with the Swedish Corporate Governance Code.
